

## “Toothwear”

### Venue:

Graystone Referral Centre, Hassocks,  
Sussex

**Date:** Wednesday 11<sup>th</sup> September 2024

### Time:

Registration & Refreshments: 1830

Lecture: 1900 – 2030

### Aim:

1. Consider restorative strategies for differing levels of Tooth Wear patients
2. Discussion of prevention and diagnostic methods

### Objectives:

To improve practitioners ability to:

1. Review the classifications for tooth wear according to risk and severity
2. Outline the clinical decision-making process for restoring worn dentitions

Please contact Dental Tubules to join the “Brighton Study Club” and register your place for this lecture.
