

CBCT in 2025 – shouldn't we be using it more?

Venue:

Graystone Referral Centre, Hassocks, Sussex

Wednesday 2nd April 2025

Time:

Registration & Refreshments: 1830

Lecture: 1900 – 2100

Aim:

Enable clinicians to confidently refer for CBCT by knowing the indications, processes and procedures for CBCT

Dr Simon Harvey
Consultant in Dental &
Maxillofacial Radiology

Objectives:

To help clinicians to:

1. Discover how modern CBCT is very low dose
2. Apply the Selection criteria for CBCT
3. Know where to get advice from

Please contact Dental Tubules to join the “Brighton Study Club” and register your place for this lecture.
