

GRAYSTONE

REFERRAL CENTRE

DENTINAL *Tubules*

To retreat, or not to retreat, that is the question.

Venue:

Graystone Referral Centre, Hassocks, Sussex

Wednesday 25th March 2026

Time:

Registration & Refreshments: 1830

Lecture: 1900 – 2100

Dr Chetan Morjaria

Specialist in Endodontics

Aim:

To improve decision making for previously endodontically treated teeth.

Objectives:

To improve clinicians' ability to:

Understand the prognosis of endodontic retreatment

Assess the important clinical and radiographic factors for endodontically treated teeth

Communicate the risks and benefits of endodontic retreatment to their patients

Please contact Dental Tubules to join the “Brighton Study Club” and register your place for this lecture.
