

“Endodontics for the Busy Practitioner – Restoration of root filled teeth ”

15 places only

Venue: Graystone Referral Centre
Hassocks, Sussex

Date: Tuesday 14th of January 2025

Time: Registration/Refreshments: 1830
Lecture: 1900 – 2045

Aim: To improve Endodontic enjoyment
and outcomes for the busy practitioner

Objectives: To improve dentists' ability to:

- Understand different methods of restoration of endodontically treated teeth
- Undertake the appropriate form of restoration following endodontic treatment
- Reduce their medico-legal risk
