

## “Assessment of the Restorative patient – Part 2 – Examination and Diagnosis”

**Venue:**

Graystone Referral Centre, Hassocks, Sussex

**Date:** Wednesday 18<sup>th</sup> December 2024

**Time:**

Registration & Refreshments: 1830

Lecture: 1900 – 2100

**AJ Ray-Chaudhuri**

**Consultant in Restorative  
& Implant Dentistry**

**Aim:**

To improve your ability to undertake an examination & diagnosis for a patient prior to Restorative dental care

**Learning objectives for part 2:**

- a) To improve your knowledge of the key aspects of a thorough extra-oral and intra-oral examination
- b) To consider the importance of creating provisional diagnoses, justifying special investigations and reaching definitive diagnoses
- c) To help create a template to allow recording of these findings

Please contact Dental Tubules to join the “Brighton Study Club” and register your place for this lecture.
